Noida, Uttar Pradesh, India

## PROFILE SUMMARY

Dynamic Executive Architect with 4 years of experience in modular design and architecture. Skilled in project management, design modifications, and client collaboration to deliver smart and efficient solutions. Strong record of producing high-quality architectural plans, ensuring client satisfaction and project success. Focused on continuous learning and staying updated with industry trends for modern and effective designs.

## WORK EXPERIENCE

Sogno Office Furniture  
Apr 2023 - June 2025

### Interior Designer

Handled 45+ residential and office interior projects, focusing on space planning and modular designs for kitchens, wardrobes, vanities, study units, and office furniture—while ensuring client satisfaction through close coordination with on-site teams and preparing project quotations.

Creator's Group Infra.  
Sol.  
Jan 2022 - Mar 2023

### Associate Architect

Planned house layouts and designed modular interiors for 25+ residential projects—like kitchens, wardrobes, vanities, and study tables—and worked with clients, vendors, and site teams to create customized and practical home designs.

Malla Consulting  
Pvt. Ltd.  
Feb 2021 - Dec 2021

### Assistant Architect

Modified architectural plans for 100+ project files of IOCL (Indian Oil Corp. Ltd.), including redesigns of existing petrol pumps across rural and urban sites, and contributed to KSK file updates.
